

Faculty of Sciences scholarship information and application form for Utrecht Summer Exchange in Science / USES 2010

Please read this information before completing the form below.

What is the Faculty of Science USES 2010 scholarship?

The Faculty of Science of Utrecht University offers a limited number of scholarships for participation in its Utrecht Summer Exchange in Science School in the form of (partial) accommodation and/or fee waivers to talented students. There are no travel grants.

What allowances does the scholarship include?

- A full scholarship includes accommodation and waiver of tuition fee.
- A partial scholarship covers tuition fee, or
- covers accommodation only.

Am I eligible for an USES 2010 scholarship?

- You are a first or second year student in Sciences or in Liberal Art & Sciences with a major in Science.
- You are proficient in English.
- You are really in need of financial assistance.

How do I apply for an USES 2010 scholarship?

Next to your letter of motivation and CV you must include this completed scholarship application form by the application deadline of 1 May 2010 at the latest. The applications for scholarships will undergo a selection procedure. Within 14 days after the application deadline you will be informed about the result. (The contact person of your school is Ms. A. Ioannidou, for contact details see website.)
